

26th Long Beach INTERNATIONAL CITY BANK ICB Marathon & Half Marathon

Run for a great cause! Operation Jump Start is thrilled to have this exciting opportunity and hope that you will join us on **Sunday, October 17, 2010** as we partner with the Long Beach International City Bank Marathon to raise money for underserved children in Long Beach. There are several ways you can participate in this event:

- Register online as one of our participants and ask your friends to support you with a donation to Operation Jump Start <http://www.active.com/donate/OJS10>
- Invite others to join you and raise money for OJS (www.runlongbeach.com)
- Support others who are running on our behalf by contributing financially to the team (www.active.com/donate/ojs10)

By supporting OJS, you can help students attain the dream of higher education by helping them move beyond their impoverished environments to ensure their full social and economic participation in the future, building better lives for themselves, their families and ultimately their communities. Through OJS enrichment programming, leadership development, and educational skill-building activities, OJS students make it to college 98% of the time! Thank you for your support in making a difference!
